6. What time do I need to have the flags put out by and picked up by?

- **ALL** flags need to be placed out by 9am the day of the game.
- **Residential Routes** - if you HAVE to, you can usually put these out the night before the game and pick them up early Sunday morning every now and then.
 - This is not ideal as it provides more opportunity for the flags to be damaged by the weather, sun, or to be stolen.
- **Commercial Routes** - **MUST** be put out only on the day of the game by 9am and picked up before 6pm.
 - These are our most damaged and stolen flags.
