

Howdy! The A&M Consolidated Tiger Band and Color Guard program is the backbone of Tiger Spirit at football games, marching competitions, and pep rallies. When the drum line marches, the band plays the fight song, and the guard spins their flags...Tiger school spirit is at its best!

Besides providing high quality performances, the Tiger Band and Color Guard forges character, grit, determination, and excellence in all its members preparing them to put in the work to excel in school and out of school.

In 2022-23, Tiger Band launched Indoor Percussion placing 2nd in WGI regionals and advancing to State in their first year. The Tiger Band competed at Bands of America for the first time this year and placed very competitively in its class.

As we anticipate another stellar school year with next level performances in UIL and Bands of American competition, we invite members of the community to join us by sponsoring the Tiger Marching Band and Color Guard.
