

Howdy!

The A&M Consolidated Tiger Band and Color Guard program is the backbone of Tiger Spirit at football games, marching competitions, and pep rallies. When the drum line marches in and the band plays the fight song, Tiger school spirit is at its best!

Besides providing high quality performances, the Tiger Band and Color Guard forges character, grit, determination, and excellence in all its members preparing them to put in the work to excel in school and out of school.

As we anticipate a full return to competition and both home and away football games this coming school year, we are inviting members of the community to sponsor the Tiger Band.

Your sponsorship...

- *keeps band fees affordable for any student*
- *subsidizes music lessons so students reach their full musical potential*
- *repairs and replaces instruments and equipment*
- *provides scholarships for graduating seniors*
- *keeps Tiger Band playing strong all year long!*

We also want to elevate your business by offering varying levels of sponsorship and publicity so our community knows about your business and how you make College Station a wonderful place to live!

Please refer to sponsorship details on the other side of this letter.

Thank you for considering sponsoring the Tiger Band for 2021-2022! We appreciate your involvement in our community!
